ABOUT WILDERNESS

"We exist to increase the world's wilderness, together, itself is a value we'll never stop longing to achieve."

Wilderness is a leading African ecotourism company. We focus on the conservation of Africa's wilderness areas and the communities living in them. We do this through our ecotourism operations, our conservation initiatives, our training programmes, our lodges, our tented camps, our guiding and our passion for Africa's wilderness areas. We are a 100% black-owned company, with our head office in Johannesburg, South Africa. We have 1 000 employees and we operate in 7 countries.

Our vision is to increase the world's wilderness areas. We do this through our ecotourism operations, our conservation initiatives, our training programmes, our lodges, our tented camps, our guiding and our passion for Africa's wilderness areas. We are a 100% black-owned company, with our head office in Johannesburg, South Africa. We have 1 000 employees and we operate in 7 countries.

Our mission is to be the leading ecotourism company in Africa, with a focus on the conservation of Africa's wilderness areas and the communities living in them. We do this through our ecotourism operations, our conservation initiatives, our training programmes, our lodges, our tented camps, our guiding and our passion for Africa's wilderness areas.
