

Fugitives' Drift • Nambiti Plains • Rocktail

This spectacular self-drive family package features a combination of KwaZulu-Natal (KZN) highlights – history, wildlife and the ocean – with a particular focus on the Anglo-Zulu War of 1879. A landmark of colonisation in the region, the war is notable for several particularly bloody battles, including a stunning opening victory by the Zulu at the Battle of Isandlwana. Commencing at the renowned Fugitives' Drift in Zululand, the journey then continues a short drive towards Ladysmith for an all-encompassing wildlife experience before heading to the fair shores of northern KZN for beach fun, ocean exploration and idyllic relaxation.
