

MOMBO UPDATE – 2 June 2017

Now that building of the new Mombo has begun, we have determined that we will be unable to open both Little Mombo and Mombo at the same time. In order to accommodate all guests currently booked at Mombo, we will open Little Mombo with 5 rooms (temporarily) from 16 December 2017 through to 25 February 2018, and continue to operate Mombo Trails with 7 rooms over the same period. Those guests who are accommodated at Little Mombo will be in the new camp at the standard Mombo rates, while those at Mombo Trails will be extended the 40% discount on the rate previously quoted. We plan to officially open new Mombo in its entirety on 26 February 2018 at which time the configuration will revert back to 9 rooms plus guide accommodation at Mombo, and 3 rooms at Little Mombo.

So, as of the week of 5 June 2017, the Wilderness Window, our camp inventory and published Rates Sheets will reflect the following:
