REGIONAL UPDATE

Desert Rhino Camp – Family room

Reopening on 01 July 2024, completely rebuilt Desert Rhino Camp will have a revised configuration.

- The camp will feature six tents, including one family unit consisting of two identical bedrooms, sleeping four in total, each with two three-quarter beds in each room, and each with their own en-suite facilities.
- With the reopening of the camp, the rates in the system will apply to all new bookings moving forward.

FlyNamibia launches Windhoek – Victoria Falls route

FlyNamibia is to launch a Windhoek to Victoria Falls route, starting on 04 April 2024.

- Flights will operate on Tuesdays, Thursdays and Saturdays between Hosea Kutako International Airport and the Zimbabwean resort town of Victoria Falls.
- This new route aims to enhance regional connectivity, promote tourism within Namibia, and position Windhoek as an alternative gateway to the region.
- FlyNamibia currently operates domestic routes from Eros Airport in Windhoek to Ondangwa, Rundu, Katima Mulilo, Lüderitz and Oranjemund, as well as a regional route between Hosea Kutako International Airport and Cape Town International Airport.
- Through its partnership with Airlink, and access to the *GDS, FlyNamibia can promote its new flights and packages to markets that were previously beyond reach. The airline also recently became a member of IATA.

** A global distribution system is a computerized network system owned or operated by a company that enables transactions between travel industry service providers.*
