GENERAL UPDATES

ZIMBABWE

Victoria Falls River Lodge has added two new Malachite Tented Suites at Malachite Lodge, adding to the first six that opened in June last year. Other building upgrades that recently took place at Victoria Falls River Lodge include a brand-new kitchen for Rapids View Villa. This exclusive villa opened in April last year, and the new Rapids View Villa kitchen is a standalone kitchen built near the villa with the sole purpose of preparing meals and snacks for the villa guests.

Wild Horizons have announced they will be opening a new property in Victoria Falls in June 2025 called Waterfalls Lodge. The 3-star hotel will feature 60 rooms, crafted with simplicity, sustainability and comfort in mind. Commanding an enviable spot on the doorstep to Africa's Adventure Capital, the lodge is a three-minute walk to town and a five-minute drive to the rainforest. The hotel also offers swimming pools, spacious gardens and a spa. Guests will be able to have meals at the on-site restaurant or take the option of swapping out meals at the Lookout Café at the Falls.
