GENERAL UPDATES

White Pearl Resorts is excited to announce significant progress on the renovation of its decking. This includes the walking deck linking the suites to the public areas and the decking at individual suites. The decking facelift is just one component of the exciting upgrades happening at White Pearl Resorts. The Resort remains dedicated to ensuring the destination remains a top choice for discerning travellers seeking a blend of relaxation and beach-chic luxury. The renovations are on track for completion by August 2025, and White Pearl looks forward to unveiling the new and improved structures to their valued guests.

Kisawa Sanctuary has reduced minimum length of stay: From 3 January to 12 January 2025, they are reducing their minimum stay requirement from 7 nights to just 3 nights.
