REGIONAL UPDATES

BOTSWANA

Water Levels

- Vumbura Plains – water activities on offer
- King's Pool – barge activity not on offer
- DumaTau – barge and boating still available
- Qorokwe – as a mixed land and water camp, mokoro excursions are now on offer
- Savuti boating offered as an activity from the Zibadianja Star Bed & Hide
- Jao Concession – mokoro excursions already offered at Pelo due to the waters having started to flow into the area in the last few days; while other Jao Concession camps have not yet started to offer mokoro, we will advise when possible – Kwetsani areas are filling up and so mokoro is likely to be on offer soon; Jao and Jacana are likely to start soon too, as both camps share the station with Pelo during times when their areas are dry

Mombo and Little Mombo Private Vehicle and Child Policy

In certain instances when a family of four is travelling, there is no need to charge for a private vehicle.

Furthermore, should there be a party of five or six guests, they can also be accommodated in one vehicle.
