FAMILY SAFARIS

ADVENTURES

FOR THE

WHOLE

FAMILY

From first-time bush visitors to those who know, and come back time and again, family safaris with Wilderness are unforgettable – action-packed, enriching, educational, sublimely comfortable and, of course, safe. We customise family safaris so that parents, grandparents, and children all feel supremely cared for – whether it's time together or time apart.

Our family-friendly camps accommodate children 6 years and older.

“We were so far removed from anything my children have ever known: pristine, vast, pure... and far, far, far from the madding crowd. Away from screens, soccer matches and daily schedules – just us, together!”

Monica Jooste - Guest at Vumbura Plains

THE OPTION OF PRIVACY

Our camps, situated in remote and iconic areas, are ideal for those seeking an intimate family safari experience in spectacular, wide-open spaces. We have endless options for every mood. Our all-inclusive logistics offer options for private vehicles, private guides and booking camps for exclusive-use, making every family safari unique and exceptional.

Private vehicles must be booked for families with children 12 years and younger at our Premier and Classic camps.

FAMILY- ORIENTATED GUIDES

Wilderness guides are experts in making each experience safe but thrilling for every member of your family. They're excellent entertainers and educators, with encyclopaedic knowledge and vast experience in the wild. They'll show children of all ages how to observe, identify, and track wildlife, and their passion for nature is contagious.

BUSH BUDDIES

Bush Buddies are dedicated staff paired to every family, in charge of keeping children safe, curious, and busy. They're available to accompany families on game drives, fill downtime in camp with age-appropriate activities, or simply bring children to the dining room for morning hot chocolate while parents sleep in.

A Bush Buddy can be requested in Botswana, Namibia, Zambia and Zimbabwe for children aged 6 – 12.

PALATE- PLEASING DECISIONS

Along with our celebrated and sophisticated cuisine, our newly reinvigorated children's menu will satisfy the youngest taste buds at any time of day. We use healthy, local produce and can cater to any allergens, preferences, and dietary restrictions.

Boma evenings around the fire showcase traditional African dishes, and kids can often get creative in the kitchen, helping the camp Chef make pizza, cookies, and other delights.
