# GENERAL UPDATES

**Wild Horizons Lodges** has made amendments to the rate sheets for 2025/2026, regarding the structure of Waterfalls Lodge half-board and full-board rates. All other lodge rates remain the same. Effective immediately, Waterfalls will no longer be offering half-board or full-board rates. They will offer the existing bed & breakfast rates with the option of adding supplementary meal rates. These can be added to tailor your guests' stay, according to their dining preferences. Bookings which have already been made on the half-board and full-board basis will be honoured.
