ZAMBIA

January 2025

GENERAL UPDATES

Sanctuary Retreats has advised that they will be closing Sussi & Chuma for the period 30 January – 13 March 2025 for maintenance.

Proflight Zambia was excited to have launched the Chunga route in Safari Season 2024. However, despite best efforts, the route did not perform as expected. Even when combined with Busanga or Lufupa, the numbers remain too small to justify subsidising the development of a new remote scheduled route at this time. Therefore, Proflight has made the difficult decision not to continue servicing the Chunga (Kafue) route in 2025. Proflight will focus on strengthening the routes that are performing well and make decisions that are in the best interest of their airline. They remain optimistic that Kafue will have the demand for Proflight Zambia to relaunch scheduled flights in the future.

Proflight Zambia launched a direct flight between Livingstone and Cape Town every Thursday and Sunday effective 01 December 2024, with additional Saturday holiday flights.
