NAMIBIA

November 2025

GENERAL UPDATES

The Luna Namib Collection, opening July 2026, will be located in a biologically diverse area south of Sesriem. Designed around a lunar-focused guided experience, the property will offer a high-end, fully inclusive stay with strong emphasis on privacy.

Each standalone unit – suitable for couples or families – will function as an independent, secluded space, supported by a dedicated concierge team.

Luna aims to provide a focused, restorative environment where guests can disconnect, reset, and spend uninterrupted time with the people who matter most.
