Highlights during visit/stay:	<p>Linkwasha Camp – A Home Away from Home</p> <p>From the moment we arrived at Linkwasha Camp, we felt completely at ease. Our guide, Eustace, greeted us at the airstrip with warm smiles, delicious sandwiches, and refreshing drinks – the perfect start to our adventure.</p> <p>Before heading to camp, we enjoyed our first game drive with incredible elephant sightings, including plenty of playful youngsters. On arrival, the Linkwasha team welcomed us with joyful song and dance, setting the tone for an unforgettable stay.</p> <p>After a brief orientation on camp layout and safety, we were shown to our rooms – and they were exceptional. Spacious, modern, beautifully designed, and thoughtfully equipped, the rooms felt far more luxurious than what you’d expect from a Classic camp.</p> <p>Throughout our stay, the atmosphere was warm, relaxed, and genuinely welcoming – it truly felt like being part of a family. Over two nights, we were spoiled with wonderful meals: a hot breakfast before our morning drives, a generous brunch prepared by the Chef, and exquisite à la carte dinners under the stars.</p>
