- In order to qualify for the Mana/Hwange free flights the itinerary will need to include - 3 nights Mana Pools, 3 nights Hwange, 2 nights Toka Leka– In doing so, the guest will then qualify for 4/5/6/7 legs FOC.
- Jao Reserve camps are excluded.
- You will ONLY get free flights that are between transit points, Wilderness camps, and Associated Product booked through Wilderness or AP booked under own arrangements (flying must fall part of the Wilderness Air circuit).

## The Details

- It is applicable to all full paying guests, including standard bookings for children and private guides - EXCLUDES all categories on reduced accommodation rates.
  - The free flights will work in combination with our existing long stay rates in low season, honeymoon offer, single supp waiver & kids stay free.
  - It is based on seat rates only, not sole use flights, and excludes relevant departure taxes or landing fees (third party airstrips).
  - BE AWARE: the timings of our Botswana and Zimbabwe flying circuits in combination with road transfers, do not allow for a same day connection between Botswana and Hwange or Botswana and the Kafue, and likewise with the afternoon departure from Hwange. So: to take advantage of the free road transfer, include an overnight in Livingstone or Victoria Falls.
  - Alternatively, for a same day connection, book an air transfer between Kasane and Victoria Falls or Livingstone (and vice versa) at standard rates. If you do not make use of the complimentary road transfer option, you may still get a discount on a subsequent flight.
  - Remember to select the scheduled road transfer option between Kasane and Livingstone or Victoria Falls (and vice versa) when booking. Should your guest prefer a private road transfer or choose to fly these routes, standard transfer and flight costs will be charged.
  - Our standard flying rates remain in our system and published rates sheets as they are still valid for all itineraries that do not meet the above criteria.
