

WILDERNESS PRODUCT – MARCH 2025

## ZIMBABWE NEWS & UPDATES

### FIRST-HAND FEEDBACK

Destination:	Little Makalolo
Participants:	Ashley Thomas Annah Kekana Waybe Van Heerden Zanele Nodwele
Suits which type of traveller:	Honeymooners, couples; would say the more experienced traveller, it's a bit more rustic than modern
Recommended activities:	<p>Our arrival in Hwange began with a thrilling game drive. The legendary Charles Ndlovu, waiting for us at the airstrip, was well equipped with cold bottled water and a variety of soft drinks. Each drive offered a new encounter with majestic wildlife.</p> <p>Guided by an expert, we saw two cheetahs just on our way to camp—what a sighting!</p> <p>The camp is famous for its log pile hide, the perfect spot to sit back and enjoy the wildlife drinking water or elephants playing in the water. We had a keen birder in our group, and he was in paradise. Charles ensured that each spotted bird felt like a discovery.</p> <p>We saw lions, elephants, zebras, wildebeest, rare roan and sable antelope, and numerous other wildlife.</p>
Cuisine:	Camp offers an a la carte menu. The meals were perfectly paced, and the service was amazing, making it a memorable dining experience.
Highlights during visit/stay:	The friendly staff and knowledgeable guides truly made our stay unforgettable. One of the highlights was a private sighting with two cheetahs. We spent a good amount of time with them, soaking in the incredible experience.
