Tour of the Falls – Toka Leya

As of 20 September 2025, the Tour of the Falls experience for guests staying at Toka Leya takes place on the Zimbabwean side of Victoria Falls rather than the Zambian side. While Zambia experienced higher water levels earlier in the year, the Zimbabwean side now offers the most impressive viewing experience.

The [KAZA](#) visa (USD 50 per person) is at the guests' own expense. Transfers and the USD 50 park fee continue to be covered by Wilderness.

This option is also available to Wilderness Touring Zambezi guests who are not staying at Toka Leya; however, all additional costs in such cases are payable directly by the guests.
