Updated Kids Stay Free & Free Flying Offer

We have made a few more adjustments to the Kids Stay Free & Free flying offer which allows for more flexibility.

- If Free Flying is applicable, we will allow the adults and kids to fly for free.
- The King's Pool family unit is bookable on the Kids stay free offer as it's no longer categorised as a suite.

Reminder: The offer only applies when kids are sharing with adults in a family room (not in double/twin rooms) and the family room must be booked throughout the entire itinerary.
