CASTELLO DEL NERO

From Italy with Love...
COMO CASTELLO DEL NERO
AWAITS

Our doors may be closed for now, but our Tuscan castle isn't sleeping. I'm writing today to share news of **COMO Castello Del Nero**, where we are using this period of quiet to elevate the guest experience: redesigning our wellness offerings, developing new cuisine and maintaining our beautiful grounds until guests return again in Spring 2021.

At our **COMO Shambhala Retreat**, overlooking the Tuscan hills, we will now have two new couples' treatment rooms, along with a Pilates and yoga studio for guests to enjoy complimentary classes during their stay. Guests also get access to the revitalising thermal suites, which will be available free of charge across all room types. With an enhanced fitness centre and nutritious, immune-boosting **COMO Shambhala Cuisine** now on the menus, guests will have everything they need to pursue serious health ambitions amidst the peace of the Italian countryside.

As you know, Tuscany is a place of enchanting landscapes, and our hotel is no exception. Among the rolling vineyards and manicured lawns of our Estate, we have designed a new mirrored courtyard – working with iconic Italian designer Paola Navone – as well as a new panoramic terrace. Guests can celebrate any occasion – whether a birthday, wedding reception or work retreat – in this idyllic space lined with fragrant flowerbeds, offering picturesque views of the sunset.

Until I am able to welcome your guests personally, I hope this letter serves as a little flavour of Italy. This will be the first in a series of correspondence over the coming months, where I plan to share with you local culinary tips, recommendations, and news on next year's exciting packages and retreats.

Thank you for your continued support and we look forward to welcoming your guests to Italy in 2021.

Warmest regards,

Giuseppe Artolli
