BOTSWANA

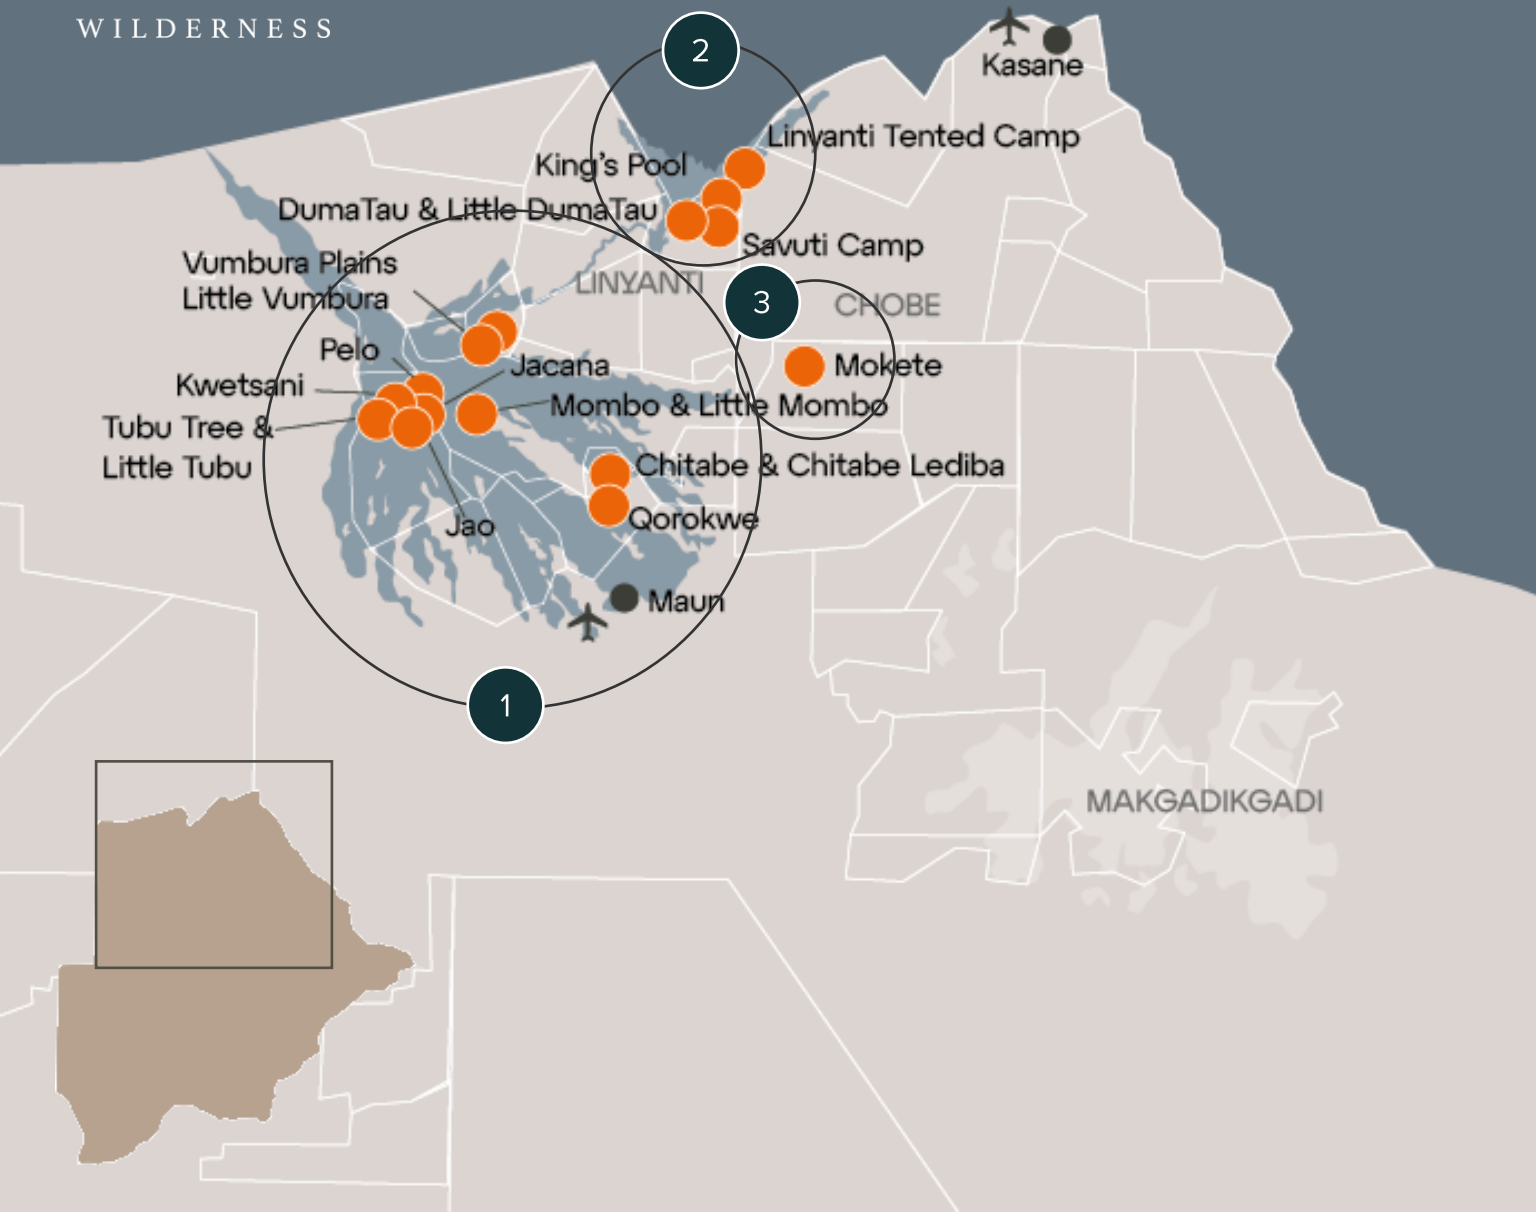

A safari in Botswana will see you journey to one of the world's most astounding wildlife destinations. Meet Botswana's warm people and delight in the thrill of exploring vast landscapes. Glide across the magical waters of the Okavango Delta or gather around a campfire telling stories old and new. At night, listen to a chorus of frogs and other performers.

Press Ctrl and click your mouse to open the file in a new window tab.

WILDERNESS

BOTSWANA REGIONS

1 THE OKAVANGO DELTA

Botswana's most renowned conservation area is undoubtedly the Okavango Delta – a green and blue wetland rightly considered Africa's most incredible wildlife sanctuary and one of the largest inland delta systems in the world – 16 000 km² (6 000 sq. miles) of verdant channels, lagoons, swamps and islands..

[Learn More](#)

2 THE LINYANTI WILDLIFE RESERVE

The many varied habitats within the Chobe and Linyanti parks – such as marshes, waterways, riverine forests, dry woodlands and the world-famous Savute Channel – have created an area renowned for its predators and large concentrations of game, particularly elephant. .
