WILDERNESS

JAO

## UNIQUE SELLING POINTS

# Jao

- Jao's surrounding riverine forests and vast floodplains provide a lush haven for prolific wildlife. In summer, when the Delta waters recede, access to game-rich Hunda Island is highly rewarding.
- The ceaselessly moving waters provide a true sense of adventure, and continuous element of surprise – from boating, mokoro and fishing, to thrilling game drives, full day excursions and seasonal sleep-outs in a Star Bed.
- Award-winning spa experience in the Delta.
- The camp is a sophisticated and contemporary structural marvel offering the highest standards of luxury and striking elements at every turn.
- Offering complete privacy, the two ultra-luxe villas – for families or small groups – have a private butler, chef, guide and vehicle, as well as their own living spaces, plunge pool and fire pit.

# Access to Jao

- Airstrip name: Jao Airstrip
- Duration to camp: An approximately 10-minute vehicle transfer

JAO PURPOSE

# A unique ecosystem

Jao is a place that is dedicated to the conservation of the Okavango Delta and its unique ecosystem – the waters and the dry land, and the plants, birds and wildlife that call it home.

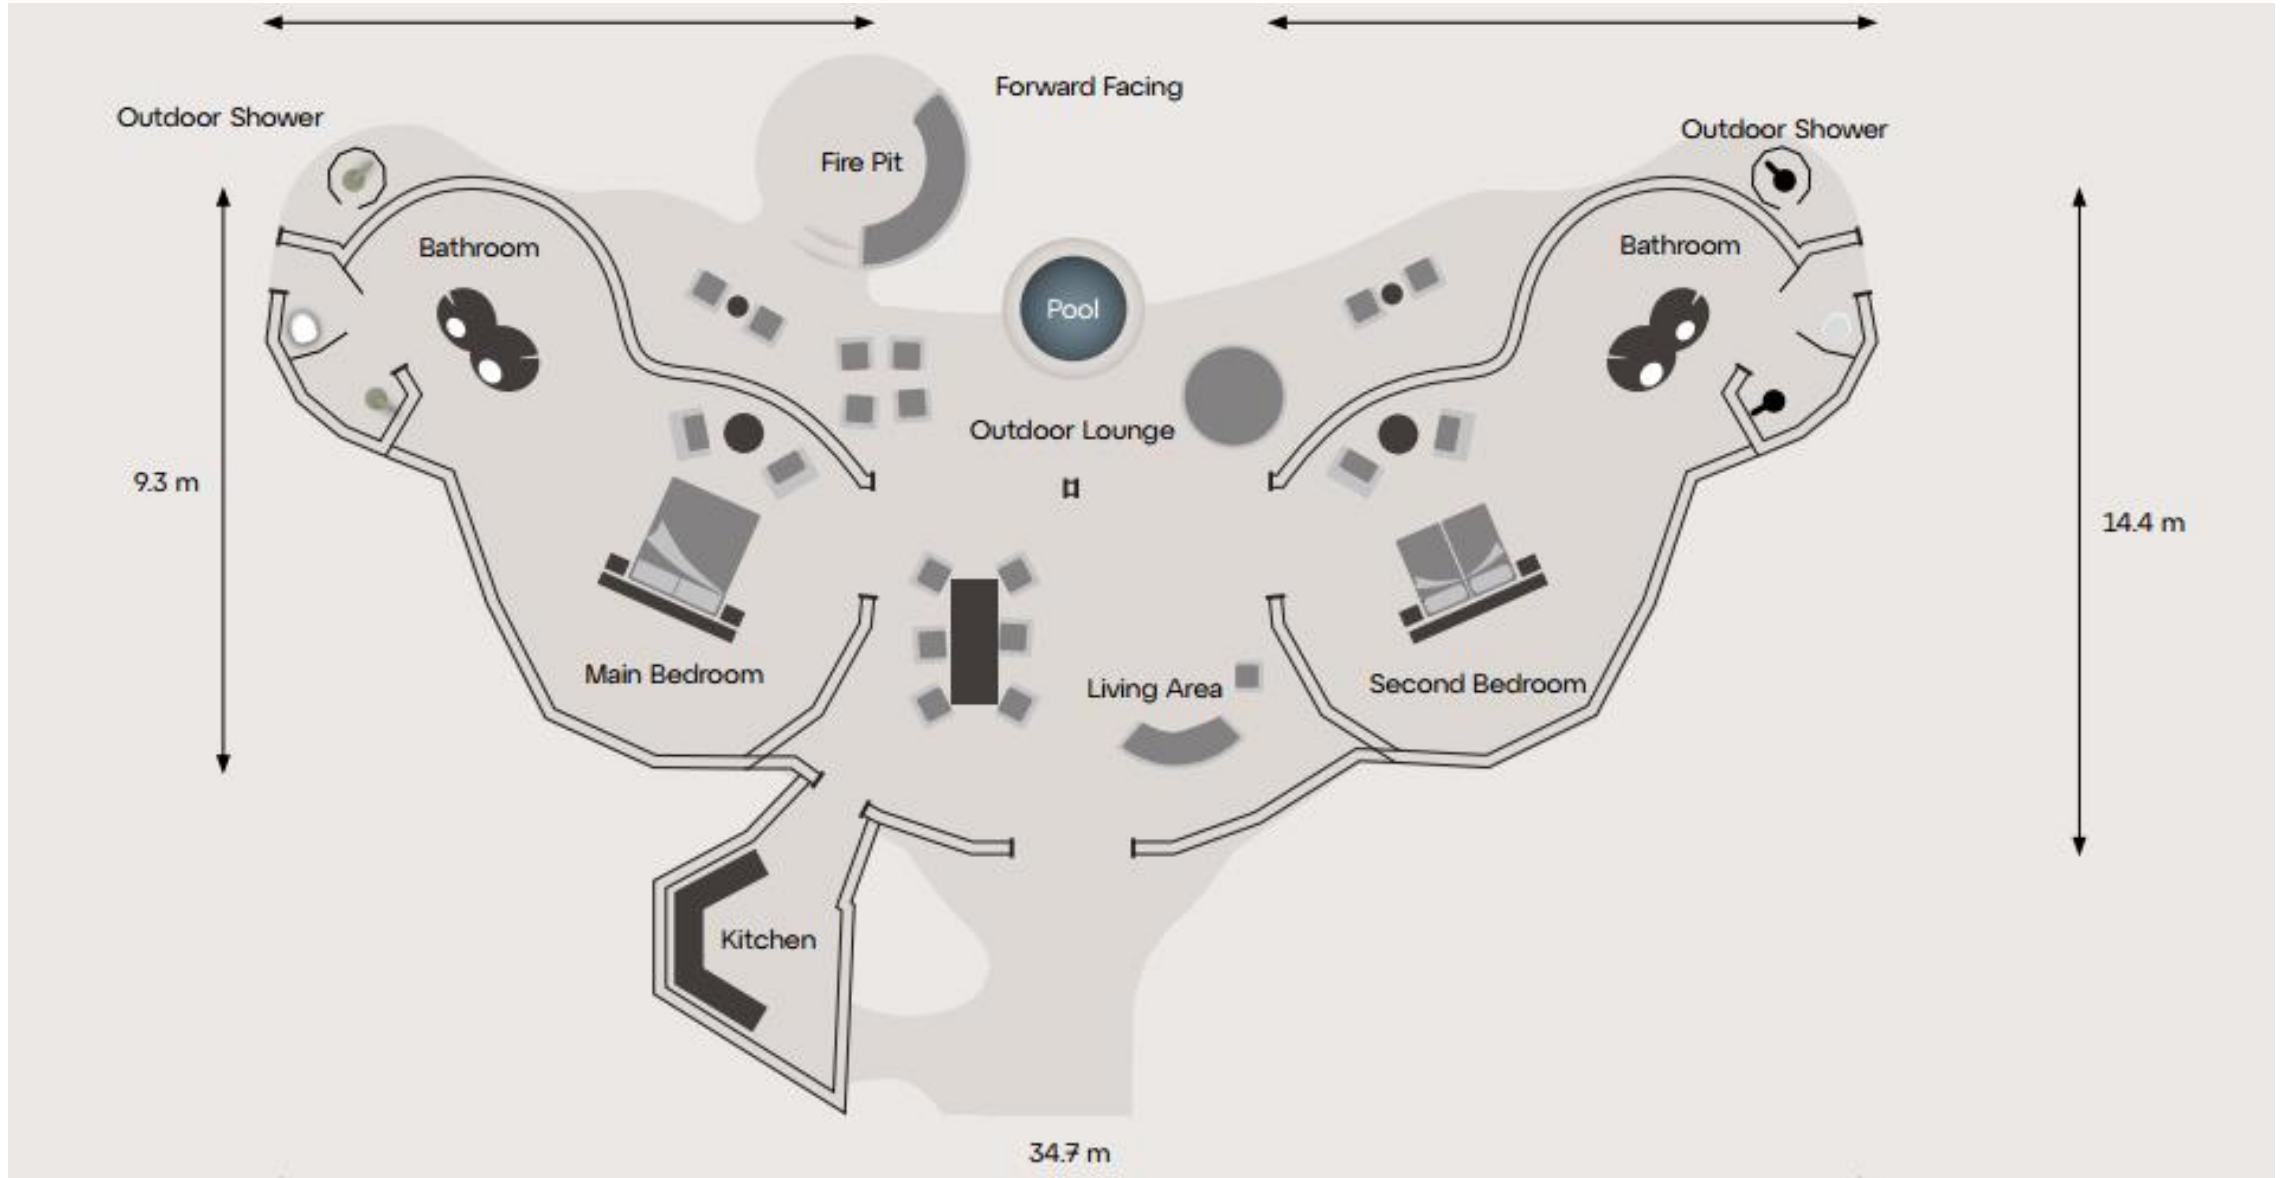

## ACCOMMODATION

# Striking design elements

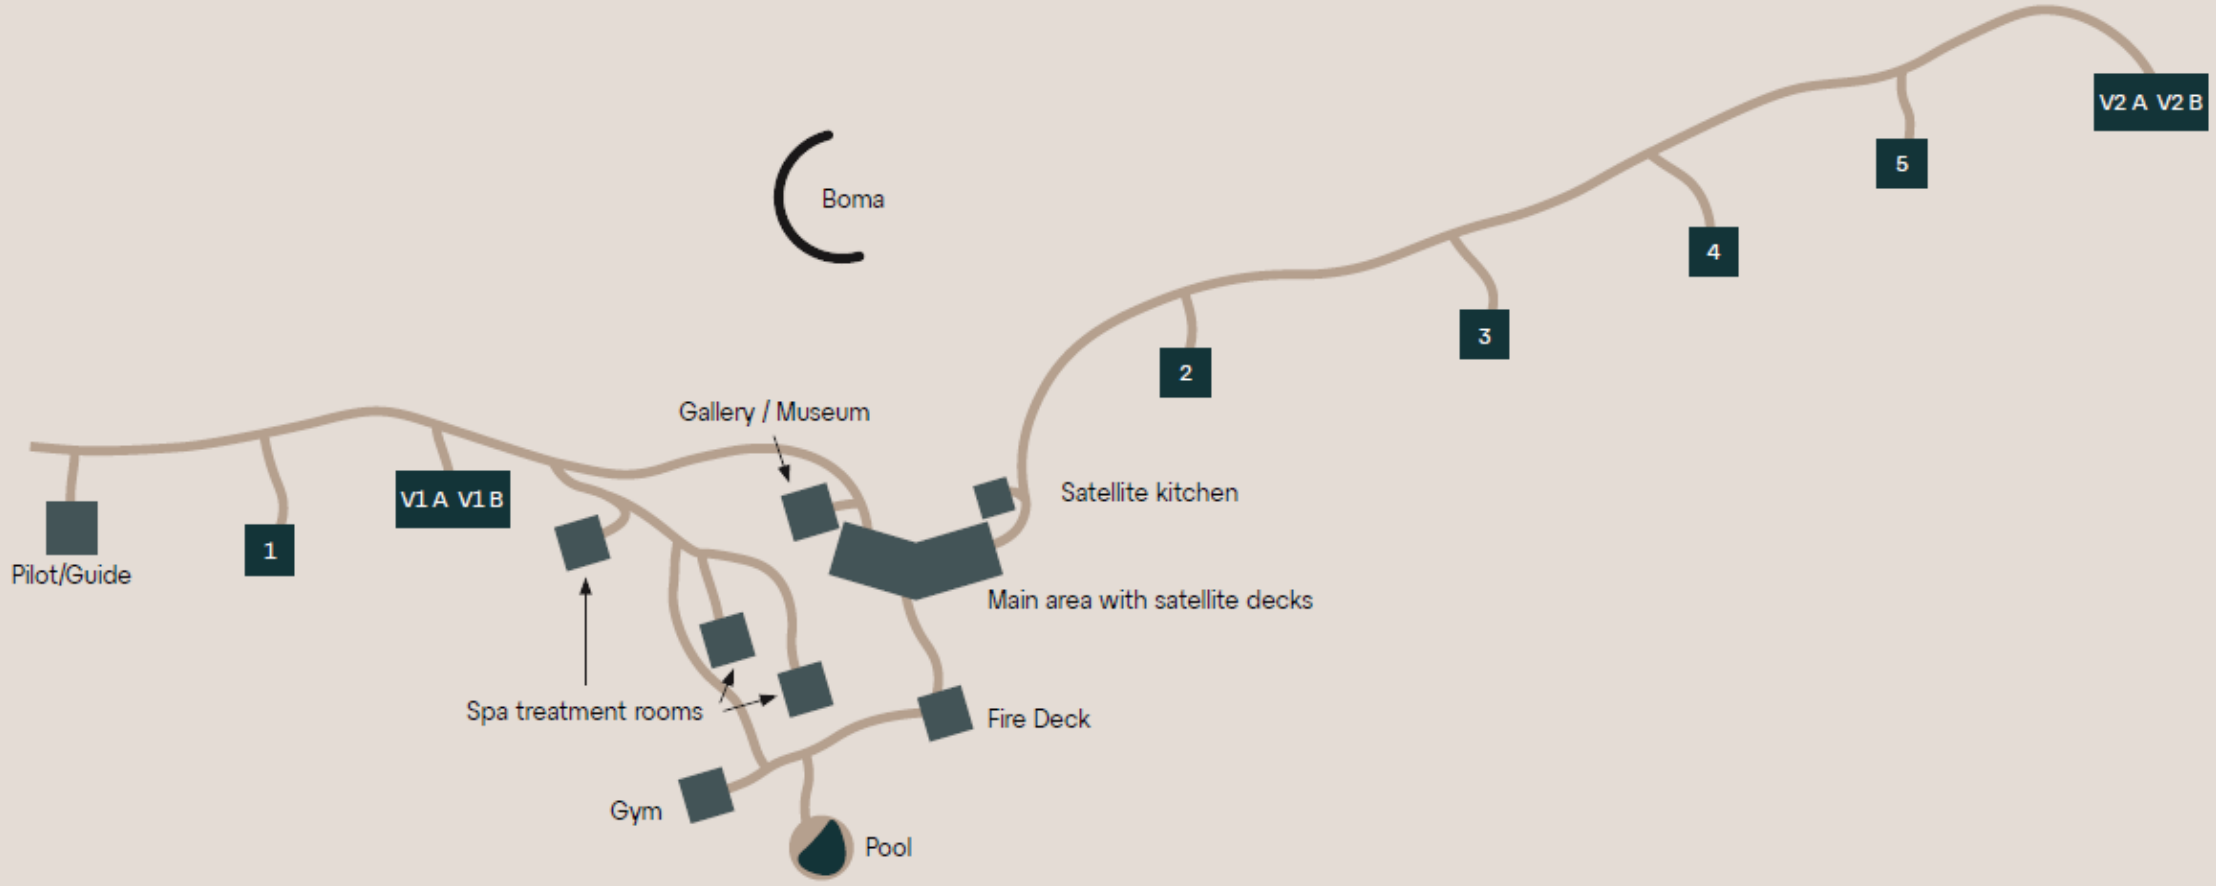

- Elegant Jao has five expansive suites and two ultra-luxe villas, each individually-designed.
- An elaborate two-storey main area includes a unique gallery museum and library, a boma for dining under the stars, an excellent wine cellar and a gym. The spa has a wide range of massage therapies.
