UNIQUE SELLING POINTS

Tubu Tree

- Ideally situated on the western edge of Hunda Island, Tubu Tree has views over – and access to – picture-perfect floodplains dotted with water-loving wildlife on one side, and instant access to big game viewing on the other.
- Hunda island is an area frequented by predators, particularly leopards, wild dogs and hyenas.
- A hide near camp is transformed into a Star Bed at night, creating a unique sleep-out in the wild.

TUBU TREE PURPOSE

A quest to conserve & protect

Tubu Tree is intimately involved in projects that support sustainable conservation and community upliftment, including assisting the local school with many of its requirements.

ACCOMMODATION

Classic and traditional

- Built in a classic, traditional safari style, Tubu Tree boasts the best-placed bar in all of the Delta: in the canopy of a marula tree overlooking the open grassy floodplain directly in front of camp – the perfect setting for evening sundowners.
- Connected by elevated wooden walkways, eight tented suites (including one family unit) are nestled in the tree canopy.
