CHITABE LEDIBA PURPOSE

Supporting conservation

Chitabe supports Wild Entrust Africa, which serves as an umbrella organisation for all large predator conservation research (lion, leopard, cheetah, hyena and wild dog) in Botswana.

Chitabe is committed to raising the living standards of its employees by a number of means, including annual school education donations and generous profit-share payouts.

ACCOMMODATION

Personalised touch

- Both camp's warm, generous and authentic feel is sustained by a loyal staff, most of whom have many years of experience, and as such, a profound knowledge of the area and its wildlife.
- The personalised touch and stunning, individually styled tented accommodation is strongly influenced by the owners' (Helene and Dave Hamman) particular interest in wild dogs and photography.

CAMP LAYOUT FAMILY ROOM

I have been travelling to Botswana for over 30 years now – of all the areas I have visited, over all the years, it is to Chitabe that I return. I was there with my wife and son, and it was a privilege to watch him witness this area and its natural beauty first-hand, and to see the wonder with which he observed it.
