

Greetings from Africa

It has been an interesting year for Wilderness Explorations with a fair bit of change to our product and also some exciting news... we are now adding Odzala Wilderness Camps to our availability report to assist you with available space at this awesome destination.

Botswana Explorations

As you know we are no longer running the Migration Routes, however the **Great Wilderness Journey** has extra departures. The brand new camp Gomoti Tented Camp is part of this fantastic Exploration as well as our newly refurbished Linyanti Discoverer Camp. This journey is simply not to be missed in 2015.

One of our favourites is the **Botswana Summer Encounter**, and we've added some extra departures into late March/April 2015. The summer season is an amazing time to experience the Kalahari, Okavango Delta and Linyanti with new life abounding in the form of wildlife and vegetation - it's like a land renewed after a spring clean!

Namibia Explorations

Namibia is a land of unbelievable landscapes, people and wildlife. As you may know, we no longer run the Great Namibian Journey, however we have replaced this journey with the new **Desert Dune Safari**. This Explorations takes in all the amazing aspects of this country and encourages people to add an FIT extension to this trip.

One of the best ways to see the immense and diverse Namibia is to take 10 days out of your life and explore this country on the road through our Diverse Namibia Exploration. This journey explores all the "must sees" of the country including the dunes, the coast and the hinterland finishing with two nights in the Etosha region – what's not to get excited about right?

Our amazing teams on the ground in both Namibia and Botswana and the team in Johannesburg want to take this time to say a "huge thank you" to you all for your continued support this past year and we look forward to an exciting 2015.

Wishing you all a Festive Season and Happy New Year.

Warm Regards

The Wilderness Explorations team
