

February 2017

Greetings from Africa!

2017 is well under way and it looks like it is going to be an exciting one. Wilderness Safaris Explorations would like to remind you of the privately-guided journeys we have running this year.

BOTSWANA

- **Into the Wilderness Botswana** - Explore two unique wilderness areas that have been shaped by the southernmost fault lines of Africa's iconic Great Rift Valley: the fascinating wetland of the Okavango and the riverine woodlands of the Linyanti River.
- **Okavango Channels and Plains** - Explore the waterways of the Delta as well as the wildlife-rich savannahs of the south-eastern corner of the Okavango in the summer months.
- **Great Wilderness Journey** - Explore Botswana's contrasts in scenic areas on a game-viewing adventure reminiscent of the days of the great African explorers.
- **Botswana Summer Encounter** - Experience the diverse, untouched habitats of Botswana, from desert to Delta and plains to rivers, all in one of its most abundant and remarkable seasons.
- **The Trans-Okavango** - Explore the Okavango from west to east, capturing the essence of the Delta and imbibing the spirit of exploration.

NAMIBIA

- **Diverse Namibia** - A true Namibian adventure, explore this vast country from Sossusvlei dunes to the Namib Desert, the Atlantic coast to the ancient Damaraland plains and Etosha's wildlife.
- **Desert Dune Safari** - This Exploration takes you through some of the most remote areas of the fascinating land of Namibia; areas which have been rarely explored by others, making this a journey of discovery.

ZIMBABWE

- **Hwange Walking Safari** - An authentic walking safari that sets out to discover one of the best wildlife experiences in Hwange.
