

January 2014

The beginning of a new year is the best time for new beginnings - an opportunity to start fresh. With that in mind we wish you a year filled with great joy, happiness, success and good fortune!

We start the year by focusing on our partners in the Zimbabwe/Zambia region that complement our own lodges well. Each of these properties is unique in atmosphere and location but offers a great continuity when combined in an itinerary together with Wilderness Safaris Lodges.

With Best Regards,
The Associated Product Management Team

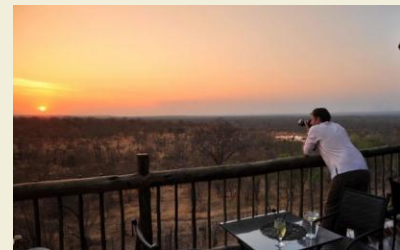

Changa Safari Camp

Situated on the shores of Lake Kariba in the Matusadona National Park, within a private concession. Each of the tastefully furnished, fan cooled, spacious deluxe East African style tented suites has its own private deck and stunning views. A lovely option to include in a Zimbabwe circuit.

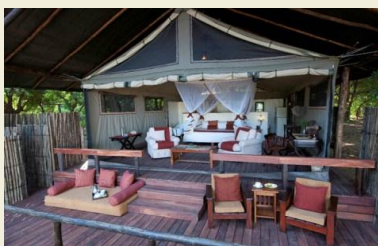

The Victoria Falls Hotel

The Edwardian-style five-star hotel, built in 1904, is set in lush tropical gardens with lily ponds, palm trees and semi-tropical shrubs, providing tranquillity and seclusion. Its defining feature is that it's only a ten-minute walk away from the Falls, using the hotel's private pathway.

Victoria Falls Safari Club

This is another great option in Victoria Falls, with more of a lodge feel than a hotel. Brand new and exclusive – with the most modern of facilities. It is set within the magnificent grounds of the Victoria Falls Safari Lodge resort and overlooks a private waterhole.

Chiawa Camp & Old Mondoro

Two very fine lodges, located in Zambia's Lower Zambezi National Park. Chiawa Camp is the flagship lodge, offering the finest in tented accommodation - ideal to incorporate in high end Zambia circuits. Old Mondoro is more intimate and remote, simple in style yet with all the comforts.

Sausage Tree Camp & Potato Bush

Sausage Tree camp offers classic bush chic on the banks of the Zambezi River in the Lower Zambezi National Park – great to incorporate in a Zambia circuit in our classic range. Bedouin-style white canvas tents. Potato Bush Camp lies adjacent to Sausage Tree Camp – an intimate safari camp.

Robin Pope Safaris

Specialists in mobile wilderness walking safaris in the South Luangwa National park. Each of the properties is simple yet stylish with a great focus on highly personalised experiences – the emphasis is on 5 star experiences. Tailored safaris are designed focusing on specific interests or family needs.
