Our remarkable guides always meet and exceed expectations, they complement our exploration journeys and are fundamental assets in creating life changing journeys for all of our guests. Herewith some guest feedback on recent Botswana Exploration journeys:

“I can’t say enough in praise of Alex’s skills, talents, and aptitudes as a leader. He is extra-extraordinary. We hire and supervise many personnel, over time, in critical positions. Alex exceeded our expectations on every dimension. I would be honored to consider him a friend and colleague. Any time we re-engage in Africa, we want him with us. What an amazing asset you have in him...”

“We had a trip of a lifetime. The camps, the food and the staff were all exceptional. We enjoyed our meals very much and all the choices offered. Even trying the pap and loving local foods and preparations. Emmanuel was wonderful—we loved him and miss him. Our dreams of an exceptional OUT OF AFRICA experience were fully realized. Being amongst the wildlife with no fences in small camps was exceptional. Thank you for fulfilling our dreams and taking our long wish list into consideration.”

“We respect and are pleased at Wilderness Safaris commitment to conservation and engagement with the local communities whose ancestral land we were privileged to visit”
