

Greetings from Africa

Exploration guide Jeremia Mwapopi has just return from a **Great Namibian Journey** and shares the following with us:

“Our drive from the central region through Khomas Hochland mountain range over the escarpment to the dry desert at Kulala Desert Lodge was spectacular, with a klipspringer seen standing on limestone being one the highlights of the day. The guests really enjoyed the red sand sea and the spectacular dunes at Sossusvlei. Two nights at the coast was great and while the weather was harsh the catamaran experience went well. Damaraland and its incredible rock formations and interesting geology always exceed guest expectations. Successful rhino tracking was the highlight of this area, with a bush dinner under the umbrella of stars a wonderful adventure for the guests. Etosha, as usual, was great with big herds of elephant seen playing in water, black rhino standing just metres from us and the “mass” of animal congregation at various water holes.”
