## Epupa Falls Lodge

Epupa Falls Lodge's repeatedly good results on Trip Advisor and the increased number of guests wishing to stay with us has sealed our need to expand. With the addition of our swimming pool and pool bar, we have decided to build five additional chalets. These chalets will be slightly bigger than the original five and will have a few surprises added to these stunning rooms. While building starts in November 2018, the remainder of the lodge will continue receiving guests as the new site takes place on the far side of the current chalets and should not bother anyone. On 1 May 2019 the lodge officially opens as a 10-roomed lodge.
