

Greetings from Africa,

Namibia is an iconic country with unbelievable landscapes and wildlife and Wilderness Explorations are proud to showcase the very best of the country with two different journeys:

### **Our Adventure journey – Diverse Namibia**

Diverse Namibia is a true adventure, taking in this vast country from Sossusvlei dunes to the Namib Desert, the Atlantic coast to the ancient Damaraland plains and Etosha's wildlife. This Exploration takes in the soaring red dunes of Sossusvlei, the life-filled blue Atlantic Ocean, the desert and denizens of Damaraland, and the plains game and predators of Etosha National Park. As we journey between destinations the spectacular landscapes are revealed, completing this fantastic adventure.

### **HIGHLIGHTS**

- A personal Explorations guide leads the safari from beginning to end.
- Exclusive accommodation in private reserves and concessions and private access to Sossusvlei.
- Activities include game drives, scenic walks and visiting ancient rock engravings at Twyfelfontein.
- Track the rare desert-adapted elephant, following ancient paths to their freshwater springs.

### **Our Discoverer journey – Desert Dune Safari**

This Exploration takes you through some of the most remote areas of this fascinating land – areas which have been rarely explored by others, making this a journey of discovery. The dunes of Sossusvlei are not to be missed and therefore we begin our journey here. We then take in the amazing marine life just off Swakopmund, the secluded and dramatic coastline of the Skeleton Coast littered with historic remnants of shipwrecks and the rugged and rocky landscape of Palmwag where the last free-roaming black rhino rove. Aside from wildlife and activities, meet the people of Namibia, from those who work at our camps to many others, such as local fishermen and vendors.

### **HIGHLIGHTS**

- A personal Explorations guide leads the safari from beginning to end.
- Exceptionally diverse variety of activities, including day and night nature drives, sea- and land-based wildlife viewing, flying, driving, and boating.
- Other unique activities include climbing some of the world's tallest dunes, rhino tracking, a motorboat lagoon trip at Walvis Bay and viewing shipwreck remains along the dramatic coastline.
- Endless landscapes and places of interest are seen along the way, with a scenic flight from Sossusvlei to Swakopmund (weather permitting) being a highlight.

Warm Regards
