

October 2016

Greetings from Africa!

Summer season in southern Africa is an exciting time: a time for new births, vegetation rejuvenation and dramatic summer rains. The [Botswana Summer Encounter](#) is the perfect guided journey that explores this magical season. The journey takes in the “petrified” Deception Valley in the Kalahari Desert where sporadic summer rains attract a plethora of wildlife, the floodplains of the Okavango bursting with general game and predators followed by the wildlife-rich Linyanti and Chobe River systems. The grand finale takes place at the world-famous Victoria Falls.

Highlights:

- A personal Explorations guide leads the safari from beginning to end.
- Diverse range of activities: game drives, walks, a full-day excursion with lunch, motorboat excursions and a boat cruise.
- Exclusive access to the wilderness areas of the Okavango Delta, Linyanti/Chobe and Victoria Falls.
- Old-style serviced camping as well as accommodation in luxury Wilderness Classic camps.

Limited seats are still available on the only remaining departure for 2016. The Exploration is also now upgraded to Kalahari Plains Camp from Deception Valley Adventurer Camp, at no extra cost.
