WILDERNESS TOURING INTRODUCES ELITE OFFERING

Wilderness Touring is proud and excited to announce the introduction of its ELITE Touring offering in Cape Town. With the acquisition of two brand-new Land Rover Discovery 4s, your guests will be able to tour the Western Cape in extraordinary luxury.

After stringent review and detailed testing of all the latest luxury SUV models on the market, the Land Rover Discovery was selected as the undisputed victor in terms of luxury, and most importantly, comfort.

Why it came out tops:

- Seats up to six passengers in revolutionary stadium seating configuration, large windows and front-to-back sunroofs
- There is a window seat for up to five guests, ensuring that no one misses out on Cape Town's spectacular scenery
- No shortage of space; ultimate comfort
- iPad and free in-vehicle WiFi
- The vehicle will be stocked with tasty snacks, bottled water, soft drinks as well as a selection of beer and wine

RATES:

There are two alternatives:

- Wilderness ELITE Touring's Land Rover Discovery and guide can be booked on a standalone basis. Our expert product team will work with you to curate personalised tours specific to your guests' requirements.
- A "vehicle upgrade" adds a surcharge option to net touring rates and you may choose from the full menu of our existing tours and simply upgrade the vehicle!

In conjunction with the upgraded vehicle, we strongly recommend that our selection of premium lunch restaurants be reserved.

Wilderness Touring has a strong reputation for providing exceptional guides and local specialist advice, coupled with full flexibility and adaptability of the touring programme.

We are delighted to offer an introductory special for any confirmed existing bookings you have in place as of 15 September 2015, with a 15% discount off the standard surcharge rates.

Please contact Wilderness Touring on enquiry@wilderness-touring.co.za or your journey specialist for further details and pricing.
