GENERAL

1. *On occasion, the times mentioned will vary slightly as a result of unforeseen circumstances: late arrival/departure of scheduled commercial airlines, delays with the customs & immigration process, aircraft technical and maintenance requirements or diversions due to adverse weather conditions. Wilderness air will always endeavour to rectify the situation to the best of their ability.*
2. *Flights from Kariba to Victoria Falls are approximately 2.0 Hours and subject to weather conditions. Morning or afternoon departures may be delayed as a result of low cloud cover in this area and thus scheduled international flights ex victoria falls should not be booked on the same day. We recommend guests overnight in victoria falls the night prior to international/regional flights.*
