EXPERIENCE THE
Diversity of Botswana

29 FEBRUARY – 6 MARCH 2020

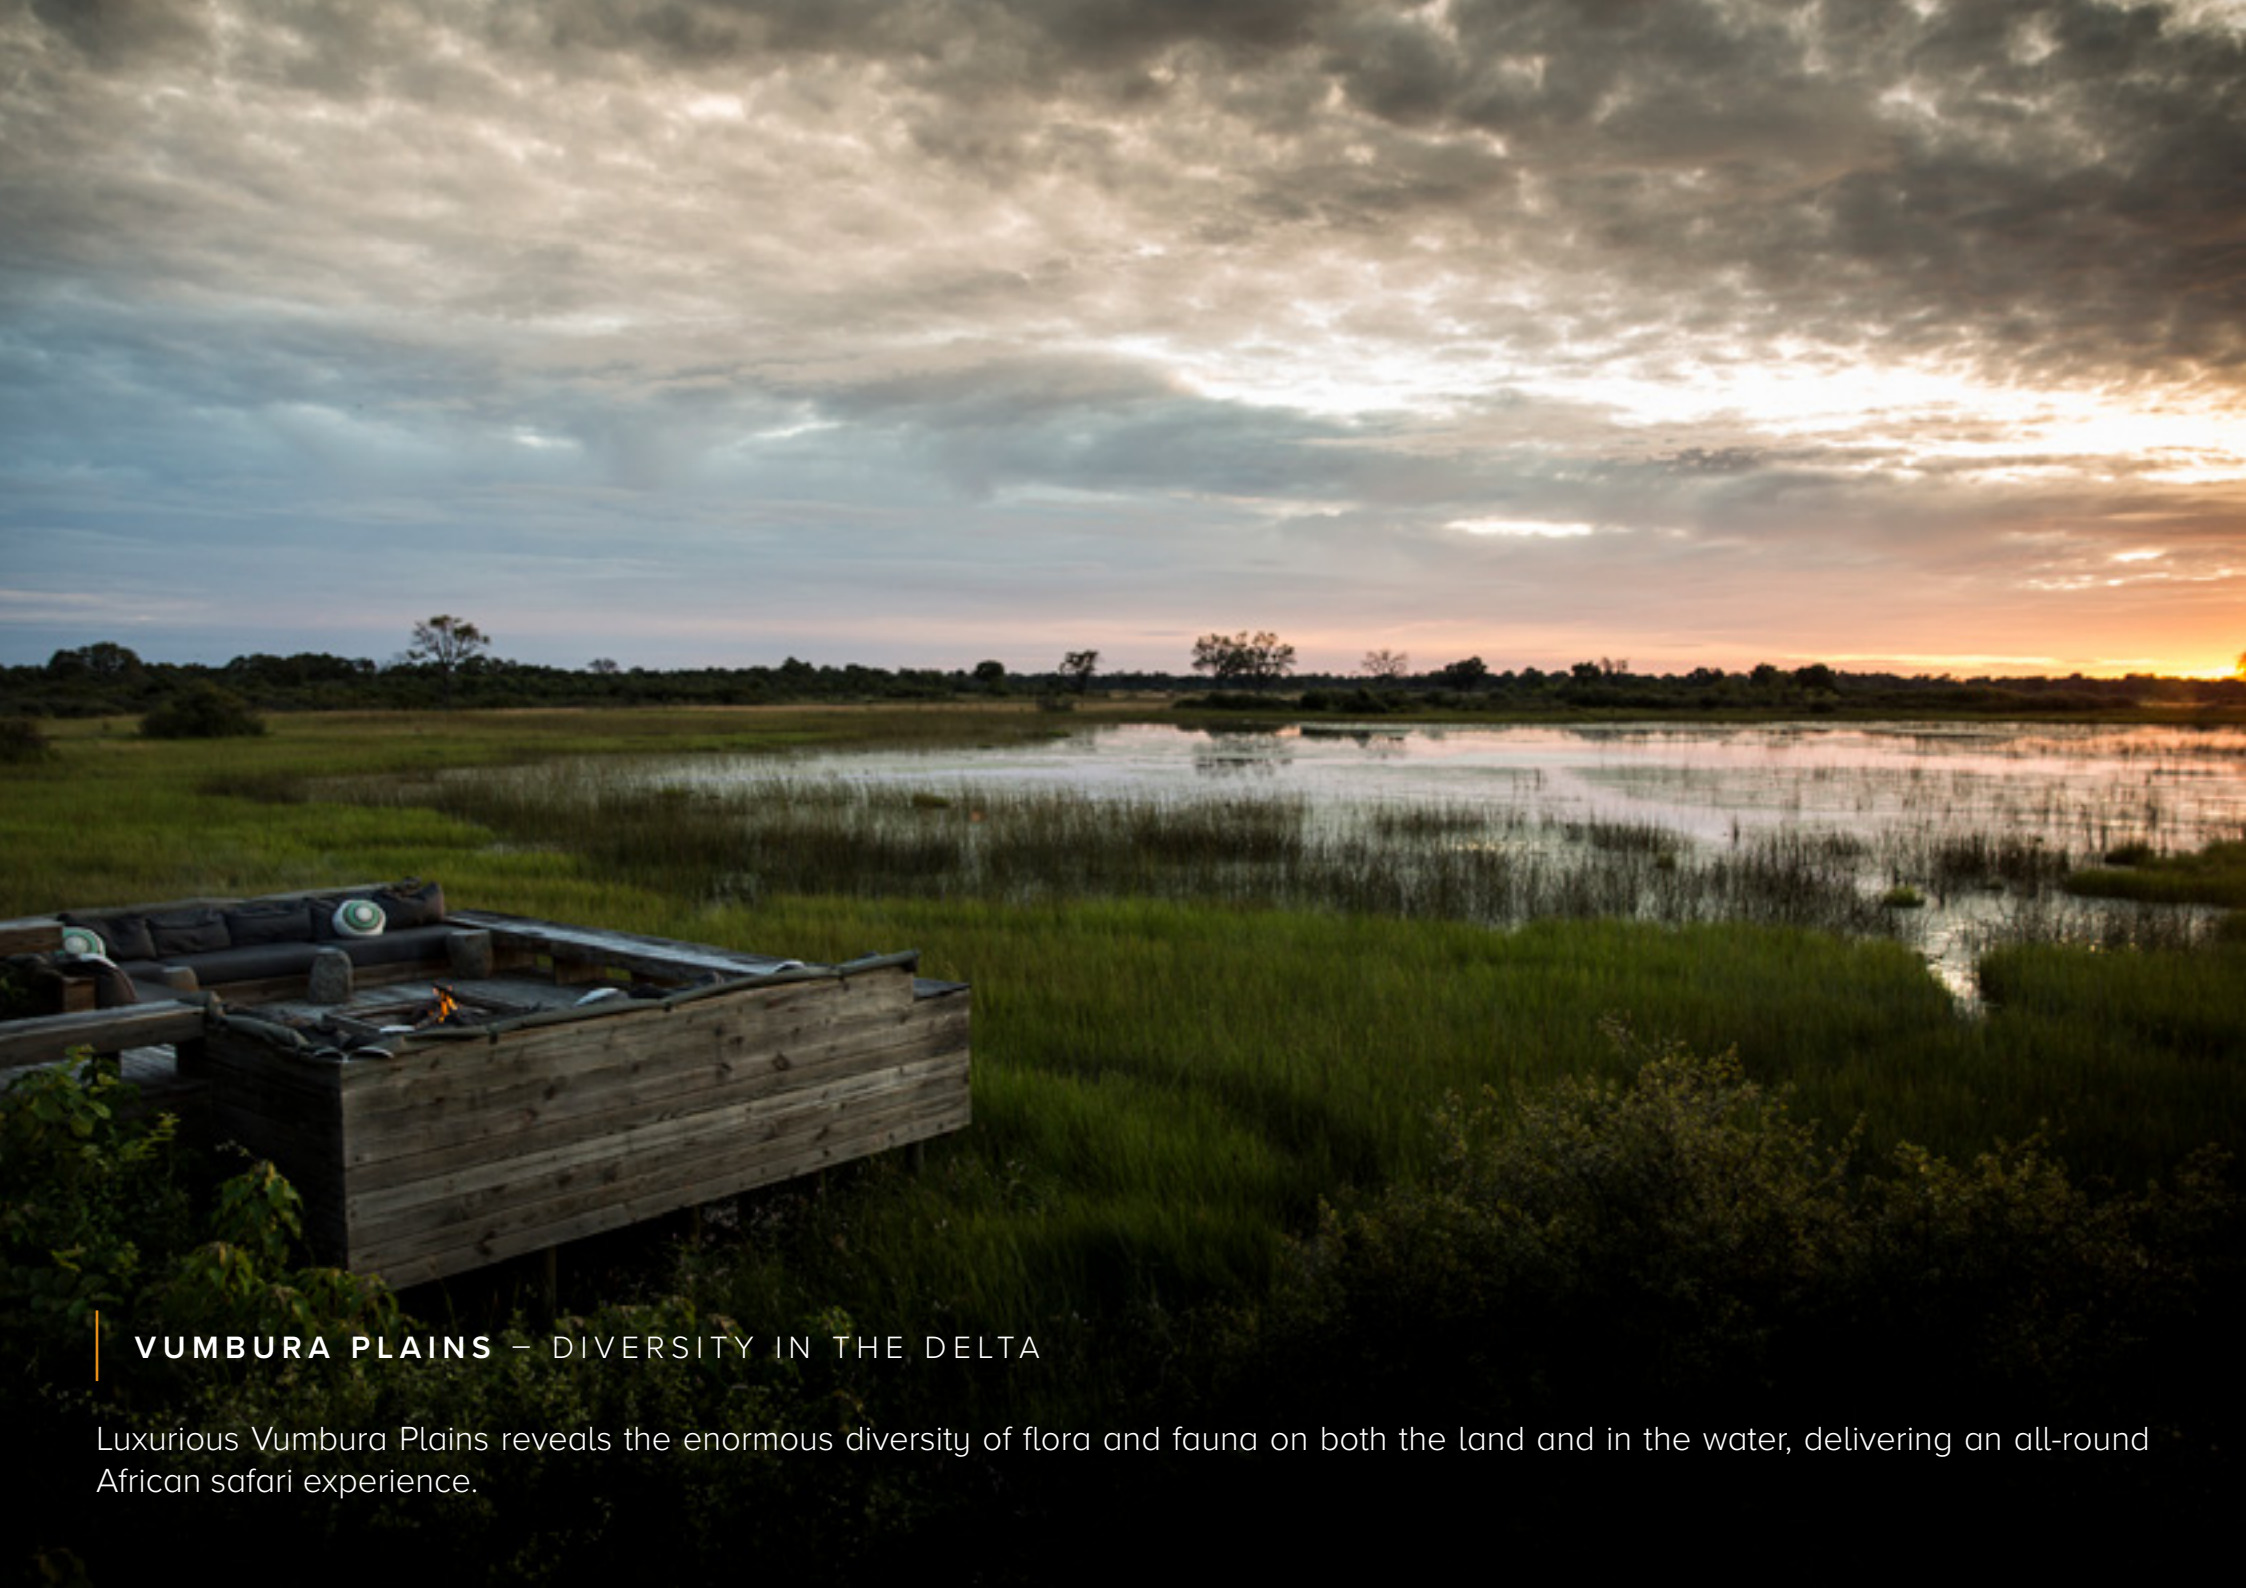

Join us as we celebrate three of our finest camps in the Okavango
Delta and Linyanti Wilderness Reserve: **Qorokwe, Vumbura Plains**
and **King's Pool**.

QOROKWE - "THE PLACE WHERE THE BUFFALO BROKE THROUGH THE BUSH INTO THE WATER".

This beautiful camp, renowned for its high-density wildlife viewing, demonstrates the importance of ecotourism in a concession bordering the renowned Moremi Game Reserve.

VUMBURA PLAINS – DIVERSITY IN THE DELTA

Luxurious Vumbura Plains reveals the enormous diversity of flora and fauna on both the land and in the water, delivering an all-round African safari experience.

KING'S POOL – A LINYANTI ODYSSEY

Steeped in nostalgia and named for Scandinavian royalty, this newly-rebuilt camp celebrates memories and migrations – from meta-herds of elephant to spectacular colonies of carmine bee-eaters.
