

Rocktail Camp

the ideal destination for families with children of any age!

At Rocktail Camp, we aim to create the perfect family holiday: quality time spent together as well as downtime and relaxation. The ocean and beach, along with coastal forest exploration and cultural interaction provide the perfect setting to enjoy just that. The wide range of fun and educational activities on offer can keep the most active members of the family busy all holiday, while losing yourself in a good book on the beach is just as achievable.

Our enthusiastic staff (including babysitters) have had previous experience working with youngsters, making them ideally suited to taking care of your children of all ages. While the older children are enjoying a spot of snorkelling, exploring the forest or trying their hand at baking bread, your baby is being well-attended to by one of our dedicated babysitters.
