Toka Leya – Mosi-oa-Tunya National Park

Set in the Mosi-oa-Tunya National Park, Toka Leya Camp perches on the banks of the Zambezi River often presenting the sight of rambling elephants, grunting pods of hippo and idle crocodiles. Only 12km upstream from the world-renowned Victoria Falls, the camp is well placed for you to explore the scenic and vibrant region. Game drives, fishing, rhino tracking and adrenalin-pumping adventures are just some of the awesome activities on offer; or you can choose to simply relax in the comfort of camp and take in the stunning surrounds and comings and goings of wildlife.

Anabezi Luxury Tented Camp – Lower Zambezi National Park

Built on the foundations of the historical camp, Ana Tree Lodge, Anabezi Luxury Tented Camp is found in the Lower Zambezi National Park, one of Zambia's three significant wildlife sanctuaries. Blending absolute luxury with complete rustic authenticity, the camp's close proximity to the Zambezi River allows for both land and water game viewing activities including game drives, boating, fishing, canoeing and walking safaris.

Shumba Camp – Kafue National Park

Set right in the centre of the Busanga Plains, Shumba – meaning 'lion' – has been appropriately named after the lions seen in the area. With easy access to permanent water and views stretching 360 degrees across the plains, Shumba Camp offers you the ultimate experience combining wildlife and luxury. From here hundreds of red lechwe, puku and roan gather to feed on the nutritious surrounding grasses. Your activities will include game drives, guided walks and seasonal boating. In August, September and October you are treated to one exhilarating hot air ballooning excursion concluding with a sumptuous champagne breakfast (weather dependent).
