

TRAVEL WITH  
**WILDERNESS AND  
QATAR AIRWAYS**  
TO ICONIC **AFRICAN**  
DESTINATIONS

Wilderness is a pioneer in conservation tourism and has built a collection of remote destinations in Africa, each unique and untamed, allowing those seeking the wilderness to discover a truly immersive and exclusive experience.

Qatar Airways is known for providing a state-of-the-art travel experience with its award-winning product and legendary hospitality, and for being a strong advocate for the environment through its WeQare sustainability programme and “Rewild the Planet” initiative.

Since the inception of this partnership, Wilderness and Qatar Airways have provided spacious sanctuaries to their guests—in-flight and on the ground—ensuring that travel can be a force for good to support the protection of the world’s most precious wild areas.

**For a limited time, Wilderness guests can book discounted flights to numerous African destinations with Qatar Airways.**
